CRAFT BEVERAGES

A DIVISION OF CORWIN BEVERAGE

**NEW
SUPPLIER!**

We are proud to welcome
this brewery into
our craft portfolio!

FLAGSHIP SERIES

SPRUCE TIP ALE

6.5% ABV 20 IBU

Crisp, malty unfiltered ale packed with spruce tips that lend a light citrus flavor.

SPECIAL RELEASES

KING OF THE FOREST OUD BRUIN ABV 6.5% 25 IBU

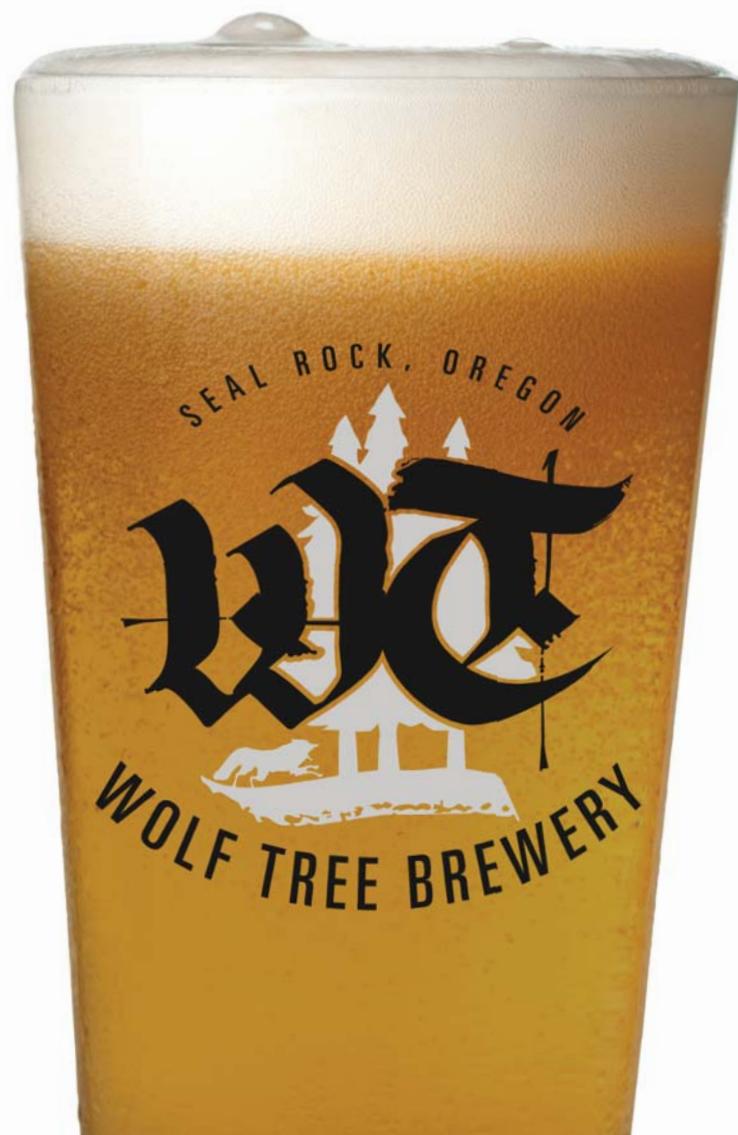

Our Oud Bruin starts with Spruce Tip Ale for its base beer. Half of the ale has been napping in our Pinot Noir barrels for the past year with our house lacto-strain, the other half is freshly brewed Spruce Tip that wanted to join the party. Put them together and you get a nice oaky aroma followed up by tart, fruity flavors with a malty backbone. Makes an amazing companion for hearty meals and holiday parties.

RANCH DOG SERIES

CAMILLE'S GOLDEN IPA

6% ABV 70 IBU

Named for Joe's beloved retriever sidekick of 16 years, Camille's Golden IPA is a blend of the Pacific Northwest's most intriguing aroma hop varieties. Citra, Centennial and Mosaic hops give a tasty citrus, hoppy bite rounded out by a smooth malt character.

THUNDER ISLAND

Brewing Co.

HANDCRAFTED IN
CASCADE LOCKS,
OREGON

We are proud
to welcome this
brewery into our
craft portfolio!

NEW
SUPPLIER!

REMEMBER THE FOREST IPA

ABV 6.7% IBU 66

Conceived during the fires in the Columbia River Gorge as our head brewer stood outside watching some of his favorite trails burst into flames. While creating Remember the Forest IPA our brewers continued on in the direction of less is more. Less combinations of grains and hops compared to the Dry Creek IPA this beer contains Simcoe, Amarillo, and Citra hops with more of an emphasis on the unique aroma and flavor of this hop trio. Drink up!

EASY CLIMB GOLDEN ALE

ABV 5.0% IBU 19

Named after the Easy Climb beginner mountain bike trail in Cascade Locks this beer is our gateway beer for new craft beer drinker. Not too hoppy, not too malty, this beer is a blend of five different malts balanced with a light dosage of German hops. A crushable beer for the palette.

ROLLING THUNDER SERIES

See your representative for details

As part of our Rolling Thunder series of beers we use a single hop variety for bitterness, flavor, and aroma additions to showcase the unique attributes that hop can bring to the glass.

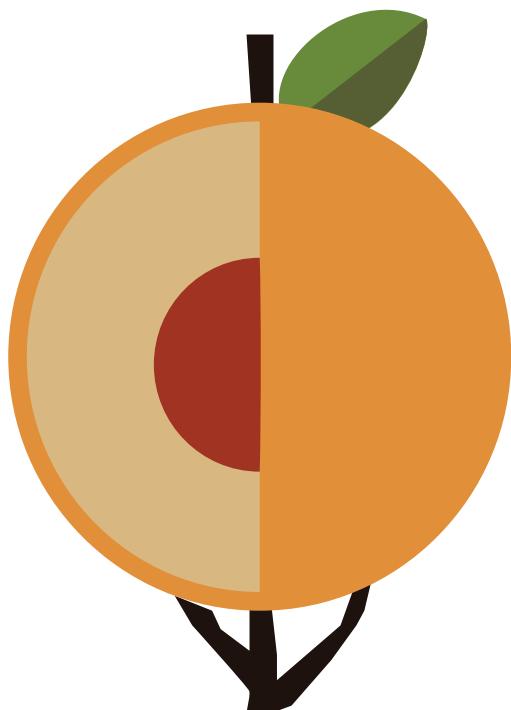

Apricot Cider

When we infuse our crisp apple cider with the tartness of apricot, the apple notes play a supporting role and let the tartness of the apricots shine. You will taste both dry and fresh apricot.

6.9% ABV

**12oz 4/6pk
500ml bottles
½ BBLs
1/6 BBIs**

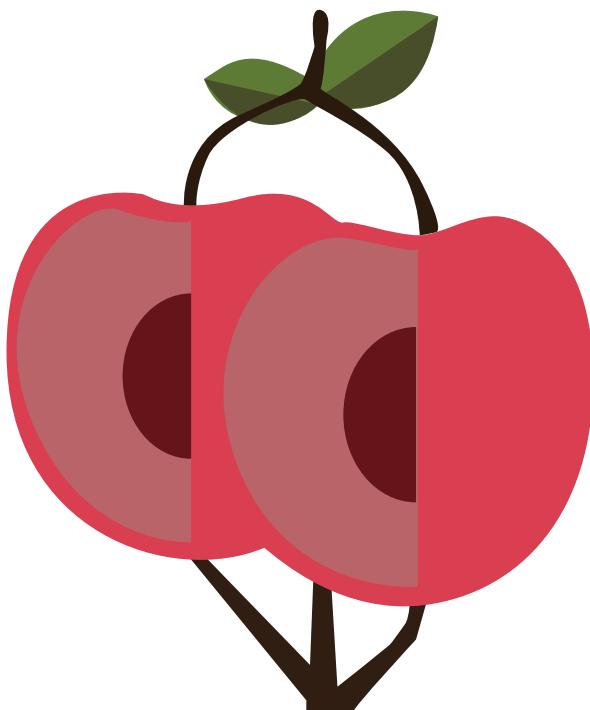

Cherry Cider

A well-balanced apple cider blended with farm fresh Cherry. Our crisp apple cider finishes sweet with hints of clove and cinnamon blended with a tart acid to stand up to the sweetness of the cherry. Big mouth feel, perfect acid, and long finish.

6.9% ABV

**12oz 4/6pk

Domaine de Couron

Côtes du Rhône

Grenache and Syrah

Lightly dusty-edged black cherry and black currant fruit is lined with a graphite note. A hint of lavender chimes in on the finish. It's perfect for a mid-week drinker.

Rose

Color a very light pinkish-orange.

A bright, bountiful bouquet of fresh strawberries and watermelon with notes of citrus zest. Fresh, full-flavored, but light-bodied mélange from light raspberry and watermelon to strawberry.

Marselan

Quality aromas and flavors of black currants, wild herbs, loamy earth, tobacco leaf, and background meatiness to go with a medium bodied, nicely balanced profile on the palate.

CRAFT BEVERAGES

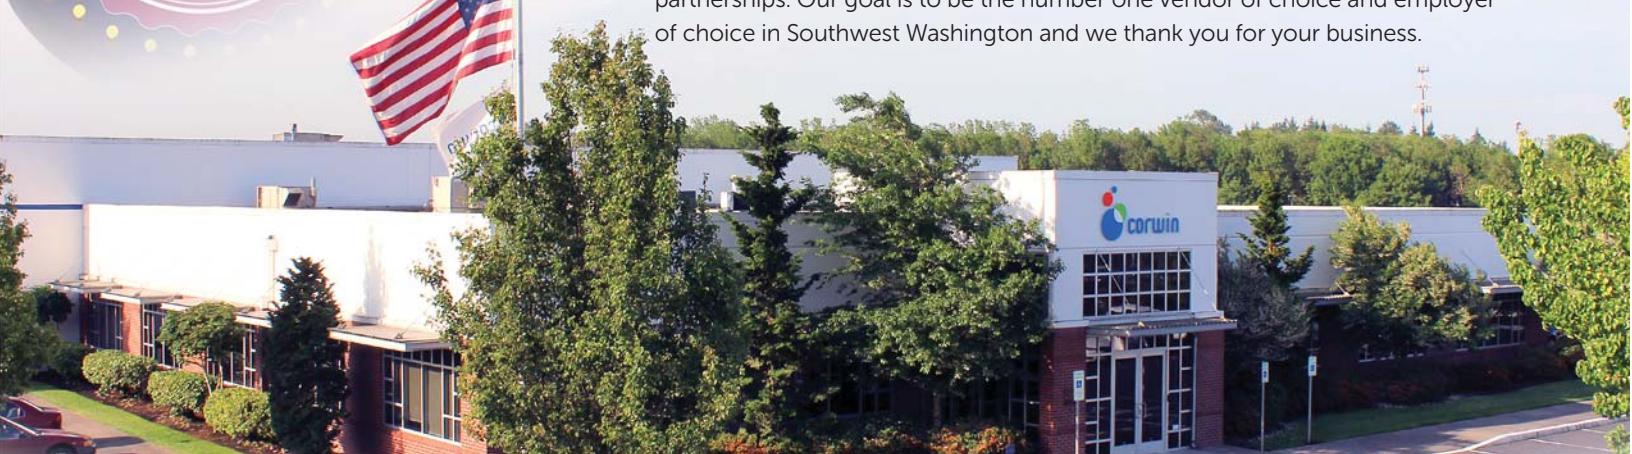

Our Story

CORWIN BEVERAGE COMPANY is a fourth generation family-owned business that has sold beverages in Southwest Washington since 1941. Our story starts in the post-prohibition era of the 1930's, when Kyle and Laura Kendall founded Kendall's Pioneer Distributing in Bend, Oregon, where they sold beer and Coca-Cola. In 1940, the couple sold the business and with their daughter Barbara and future son-in-law Harold Corwin, moved to Vancouver, Washington to acquire the Vancouver Pepsi franchise. This business eventually became Corwin Beverage Company, a market leader known for award-winning sales and service.

In 2014, the fourth generation of Kendalls saw a need in the marketplace for craft beer and wine delivered with the same high level of service the family was known for and launched a boutique distribution company to bring exclusive, emerging, regional craft brands to market. This business was named in honor of their founding generation's entrepreneurial spirit and after two years of rapid growth and success, the new Kendall's Pioneer merged with Corwin Beverage to bring the opportunities of our larger distribution operation to our local suppliers.

From our humble beginnings with one truck and three employees, to over 100 trucks and more than 145 employees today, we're active in supporting the communities we serve, and are proud of our employees, products and partnerships. Our goal is to be the number one vendor of choice and employer of choice in Southwest Washington and we thank you for your business.
